LEADERSHIP ENDORSEMENT

Letter of recommendation

Carly Hill | Former direct report

I am pleased to recommend Christy Brasfield as an exceptional leader and manager. I had the opportunity to report directly to Christy, and during that time, she had a meaningful impact on both my professional growth and my career.

Christy is a compassionate, encouraging, and supportive leader who genuinely cares about the people she works with. She has a natural ability to bring out the best in others, creating an environment where people feel valued, motivated, and confident in their abilities.

Christy played an important role in helping me further my career by recognizing my strengths, encouraging my growth, and giving me the confidence to take on new challenges and opportunities. Her leadership and mentorship have had a lasting impact on me, both personally and professionally.

I am incredibly grateful for the opportunity to have worked under Christy's leadership and would highly recommend her to any organization looking for a thoughtful, dedicated, and people-focused leader.

Sincerely, Carly Hill
